
Preventable injuries...

- ... kill more children than cancer,
 - ...more teens than suicide,
 - ...more young adults than violence.
-

Your support of the Jane and Larry Glazer Memorial Golf Tournament will help Prevention 1st provide vulnerable populations with life-saving programs like these:

Home Fire Drill Campaign

Safe at Home: Safety For People with Developmental Disabilities

Peer-to-Peer Home Safety for Older Adults

School-Based Educational Programming

Before the Fire: Prevention Works!

www.prevention1st.org

Jane Glazer was a founding member of Prevention 1st. She and Larry made our community a better and safer place to live.

By having the golf tournament in their honor we are saying “thank you” to them in our own small way.

Prevention 1st has been keeping our community safer for more than a decade!
Thank you for your support!

Prevention 1st is a 501(c)(3) non-profit agency. Our mission is to provide effective, evaluated, research-based training and materials to promote safer behavior and prevent unintentional injuries—the #1 cause of death for American children, teens and young adults.

We partner with community organizations on projects that provide injury prevention training and education to vulnerable populations.
