

FILMS ON FIRE!

Prevention 1st Short Film Competition

SUBMISSION CHECKLIST

Here are some things to remember before submitting your finished short film.

- What's the title of your film?
- Is your film about fire safety or injury prevention? Is your message clear?
- Do NOT use real fire in your video.
- Your film should be under 3 minutes.
- There should be NO inappropriate language or violence.
- No clips from existing TV shows or movies.
- Filmmakers get permission! All your actors should sign (or have parent sign) talent release forms.
- No music you don't have permission for! Use "royalty-free" music or something you have permission to use. Use the music release form if appropriate.
- Upload your film to Youtube or Vimeo. If you're under 18, get a parent to help.
- Go to www.prevention1st.org/fof2019 then click the link to FilmFreeway to finalize your submission.
